## Dr. Wolterman Encourages Patients to “Straighten Now, Scream Later”

February and March may leave you daydreaming about warm summer days, swimming, or rides at Kings Island. While those lazy, crazy days seem a long way off, you can start preparing for the great days ahead at Dr. Wolterman’s orthodontist office.

From now until March 30, you can start your treatment with Dr. Wolterman and be entered in a drawing for two Kings Island Gold Season Passes. Start your Invisalign treatment or get your braces on and be eligible for unlimited admission to Kings Island and Boomerang Bay in 2009. The admission includes access to more than 80 world-class rides, shows and attractions all season long with your season pass, including the new Diamondback roller coaster and the legendary Beast, celebrating 30 years of terror in 2009! Gold Season Pass holders are also eligible for early access on the Diamondback each day.

Dr. Richard Wolterman has been practicing orthodontics in the community since 1974. The practice is committed to the patient, their family, and their dentist to educate and provide high quality, affordable care. Dr. Wolterman’s philosophy is that facial appearance dictates the treatment plan in conjunction with traditional orthodontic goals of straight teeth and healthy bites. Dr. Wolterman is an Elite Premier Provider of Invisalign®, the first in Ohio. For more information or to schedule an appointment so you can “Straighten Now, Scream Later,” call 231-0041 in Anderson, 248-0041 in Milford, or visit [www.woltermanortho.com](http://www.woltermanortho.com).

## Put a smile on your face and a song in your heart!

Your birthday is a special day, and Dr. Wolterman has always wanted to be among your well wishers. For the last several years, Dr. Wolterman ran an ad each month wishing patients who celebrate a birthday during that month a happy birthday. Beginning this month, you will receive a special musical phone call instead. Thanks for letting us help you celebrate your special day!

## Dr. Wolterman and Staff Take CPR Class

Every two years, Dr. Wolterman and his staff renew their CPR certification. On February 11, the staff took a 4 hour course, sponsored by the American Heart Association and administrated through the Anderson Township Fire Department.

Treatment Coordinator Val uses her “stayin’ alive” technique to practice this important lifesaving skill.

## National Facial Protection Month

Are you a coach whose team needs mouth guards? To celebrate the upcoming National Facial Protection month in April, Dr. Wolterman will provide custom mouth guards for a local sports team. If you are a coach, send your name and information about your team (age, sport, number on team, league) to
